

## Registration form

for Registration and Participation

1. A limited number of meals are available every week for local residents of Carnisse. Finished = finished.
2. In principle, the Foundation makes these available as a courtesy and there are therefore no rights attached to participation.
3. Only registered participants can use this if there are sufficient meals.
4. Registration is only possible for people who do not use the food bank. For example, are you single and have less than €400 per month left for food and clothing? Then registration is possible if there are sufficient places available. That €400 is our standard amount for a single person without children. An additional €110 is added for each additional family member. You may be asked to demonstrate this. We may deviate from this in certain cases at our own discretion.
5. If there are no more available places, you can be placed on a waiting list. You will then be notified when there is room for you again.
6. To register, your name, address and telephone number will be requested.
7. If you are registered, we will keep each other informed via a WhatsApp group. You automatically become a member here. Please note that your telephone number will then be visible to others.
8. If you are unable to attend, you must cancel your appointment **no later than 12 noon on the distribution day on Monday.**
9. Meals are in principle distributed every Monday between 4:30 PM and 5:30 PM. The doors are closed after 5:30 p.m.
10. Anyone who does not deregister on time will be deregistered and will no longer be entitled to a meal. After all, it is not fair to others if there are meals left over
11. A voluntary contribution is requested to receive a meal. We try to cover the rest of the costs through donations.
12. The meal(s) can only be collected by the registered person. So no meals will be provided for other registered participants. Unless someone is unable to pick up the meals themselves.
13. Registered persons who are chronically ill and therefore unable to collect the meals can have a meal delivered if a delivery person is available.
14. Everyone is expected to adhere to the instructions of the volunteers.
15. Photos and film or TV recordings can be made of the activity. If you object to this, you can make this known when registering.
16. A registered person can be deregistered if it appears that someone no longer meets the conditions.
17. Shopping cards are from the Red Cross and not from us. We only issue them according to their rules. So there is no point in discussing this with us.
